THE
CONDOMINIUM

PHASE II

THE TOWER PHASE II

79 condominium units:
one, two and three bedroom, ranging from 30 to 85 sqm.
7 floors, sea view from the 5th floor and above, pool and lounge deck on the 2nd floor.

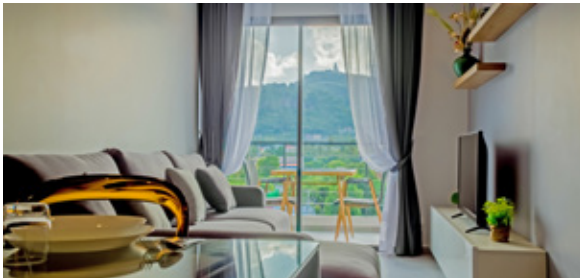

NOON Capital proudly presents The Tower Phase II, follow-up project of the successful The Tower Condominium, completed in 2017 and now a landmark of Chalong, the up-and-coming residential district of Phuket.

Conveniently located near shopping malls, international schools, fitness clubs, international hospitals, the pier and the southern beaches, and 1-minute walk to the upcoming light-rail station that will connect Chalong to Phuket International Airport.

Serviced by a truly professional property management team with the mission to streamline cash flows for investors as well as create a genuine community vibe and sense of belonging for tenants.

Completion date: June 2019
